If you have any questions, please contact us via hello@wixot.com January 12, 2021 Version 1.5.5 I love word games. Love to play the different types out there. I play so much that I get tired of the same fast. Jameson's grandma I love the game, it's easy to use and a fun way way Kill time. However, there is still some glitches to work out. For example, on one of the daily puzzles the same word was used in the puzzle and the bonus section prevented me from earning all my stars and my crown. The words are usually words every day with a few obscure words thrown in. I've also found that if I'm on a winning streak it will glitch and close on me. A few little things but overall a nice way to pass the time. Thank you very much for your review regarding our game. We always collect user feedback and emails that we can apply with updates. Nice way to pass the time while you're waiting somewhere. Fast and fun. Thanks a lot! Learn more Developer Website App Support Privacy Policy Answers to all word story levels In one page you don't have to search for different levels, you get all the answers on one page, browse below. This is a word game about a Stickman jail escape. A man is framed and imprisoned, but he never gives up and intends to self-destruct. Persevere, day after day, year after year. Hope can free him. Finally, he can take the breath of freedom.
